Plans renewed beyond 30 days, without FirstMed's prior agreement, will be considered as 'new' plans for the sake of the loyalty discount. When a plan grows from one person to two (or more), retrospective discounts will not be applied, i.e., the first members' premium will not be refunded to indicate the group price. The group price will only be applied to additional members as they are added in and for as long as the 'group' exists.
